Rocky Hills. Campbell ^{aka. 2 Casjowtman} was seized some time in end of last month with Catarrhal symptoms for w^{ch} he had used of Calomel. Ant. tart. & Zee with open^d Doses of Sulph. Magnes. & Mixture of Ant. Tart. & Vit. Potash, as a drink the mouth became violently affected with the Mercury but the symptoms ^{of the complaint} subsided. & on the 12th he was convalescent. on the 13th in the middle of the day he had a slight shivering fit forced by pain in calves of legs & in the knees which soon went off on 15th after ^{dinner} ~~the fit~~ he was again attacked with the pains & cramps in legs & knees with shivering the symptoms were more severe this time than on the 13th. Today 17th the attacks came on about 11 o'clock at about 3 P.M. he was found in a profuse sweat Pulse very frequent & small, tongue white. appetite for ~~meat~~ muddling. Bowels says are regular To remain in bed on 19th of day next a shew comes on & to take Sulph. Quin. incc. Vit. & Sulph.

After take^s the Sulph. Quin. & Vit. Sulph. did for some time with no benefit he ask for a Emetic I brought off the stomach some black offensive matter & he became perfectly free from the attacks of the Intermittent Fever
