

They ~~will~~ but some good app
the garden last week about my
some more so I can scarcely lift them
the weight is not less in them my
and that there is no chance of their
it bearing fruit for some years
I can bear nothing about any letters
for you, one I think from the last
month and sent to the young lady
thinks she sent here last week, but
with the time when I hope we
the collection of my pen may follow as
soon as convenient. Really the
disturbance here would astonish you
the clothes I took off this morning will be
I think you will hate and if the wind
had raged we might be cleaner yesterday
the wind was in and the dust blowing
is now beyond belief. I put on my coat
and have my hair which I find most
difficult to keep tolerable. The harvest
is not in such a handfull. It will get by
for the situation. Every one about as
is being very busy, my father, with delays
