

Major Will Probation States.
September the 27th 1846.

Sir.

In the Instruction to the Medical Officers you will be pleased to observe § 40 - That any improvement for cleanliness and Ventilation which may appear necessary to such a Medical Officer or existing Mismanagement to be suggested to the Officer in Charge of the Station - a copy of such suggestions to be forwarded to the P^r Medical Officer.

Not having received such communication from you, I must say I was surprised to find in the V. Mag^t Monthly Report of this Month - Statements communicated by you to him - and shall feel obliged to you to inform me on what ground these suggestions, considered necessary for the health of the men and their filthiness made to the V. Mag^t at the Monthly Inspections - have been withheld from me.

I have the honor to be

Sir

Your ob^t Servant.
William Le Gallien.
