My Dear Sir

I have this day put
on board the ~~stratford~~ your
Case, containing all the Plants
you selected, and have added
several more to fill the Case
trusting they will arrive in good
condition and be an acceptable

enclosed I send you a list
of desiderata, which I am anxious
to obtain but am fearful there
will be but few of them in
your neighbourhood.

could you make it convenient
to return the Case by return of
Vessel, as I want some of them
for Sydney, I remain

Yours very truly
