

Melbourne

Dec 22. 1870.

My dear Friend.

Geo. F. Storey.

I am requested by our  
 Monthly Meeting to forward  
 thee the enclosed Minute,  
 and I may add on my  
 own part, that it does not  
 quite come up to the satis-  
 faction I felt with thy  
 visit, or the sympathy I  
 felt for thy position when  
 amongst us. I ever wish  
 to hold a subordinate  
 position in our Meeting.

feeling my utter unworthiness.  
Still, I can assure thee  
though apparently unobtrusive  
with my own personal  
feeling, I shall ever  
cherish the remembrance  
of this and thy former  
visit to Ellsbourn.

Remain

Thy friend

Thine Affectionally

W. Dickenson
