12/3/39.

The Y<sup>rs</sup> Mt<sup>g</sup> - last sitting was conducted through Divine Favour with quietness, yet there has been a painful feeling of the absence of heavenly life, both in Mt<sup>g</sup>s for Wk<sup>s</sup> & D<sup>y</sup>s<sup>l</sup> - some it has been a very painful time altho' I must thankfully acknowledge I have been afresh made sensible of the Heavenly Father's love & for more gratitude & dedication of heart to so merciful & kind a Friend. I can indeed acknowledge Him to be such to me, whose ear is open to my secret griefs, who comforteth me in all my tribulations, for ever blessed be His Holy Name, I long for the time when I shall be freed from this suffering & sinful state, that I may see Him as He is, & praise Him as I ought, with all those I love, in those blissful regions where pain & parting is unknown.

How much I have been exercised respecting things of a higher & paramount importance, it was my work the whole of 1<sup>st</sup> day. The morning meeting was spent in supplication at the Throne of Grace and in the afternoon my mind was deeply exercised. I felt to use the

scriptural expression, that the Child was brought  
 to the Birth there was not strength to bring forth  
 and earnest were my petitions to the Father of  
 Mercies that he would strengthen to fulfill all  
 His requirements, I fear there is a "withholding more  
 than is meet it will be found tendeth to Poverty"  
 oh. sp. & carnal retreat. "Quench not the Spirit" but to be  
 rest to you. Heart of LOVE. He may abundantly pour out  
 His Divine consolations & satisfy with His love
