

My dear Friend

Joseph Benson Baker

Will thou please send us

a Box of Vinegar such as the

label sent describes, we had a box

of bottled vinegar but I forget whether thou
sent it or that it was got from Atkansas. I think
the best c. contains 4 or 5 gallons. We are in want of
Rising Oil, thou wilt send the box with the two Cans
wax. I think is best. We are also without Sago &
Cottonseed which thou wilt supply us leaving

the quantity to be decided by thyself or
with kind love to all
