

Wm. hat garden
20/5/71.

It is at a late
night hour, dear
Gr. Story, when I
feel very tired, thus
I write these few
lines, to acknow-
ledge thus early the
very kind way in
which you speak
of my poor dis-
course.

I can send you
more Fleaplant
Cork Vaks &, if
you will let me

know by what
channel. You then
cut a root of the
subterranean Rhubarb
at the same time.

The two water-
plants kindly sent
in your letter are a
Chara (without fruit)
and *Myriophyllum*
variifolium J. Hooker.

I trust your
health is firm I
remain, dear Sister,
your very respectful
servant
Frederick Muller.
