

C7/93

Morton's Hotel,
Milbourn Str.
Sydney
2/10/44

I am just working on
the Xyrideae & allied
plants, dear Dr. Story,
for the 7th vol. of the
Flora of Australia. Would
you with your usual
goodness get me kindly
a few fruit heads well
ripe of the Xyris near
you. Perhaps there are
2 species in your vici-
nity. Regardfuls your
Judson Muller
