SAMUEL WARREN CAREY

(1911-) DSc, MAIMN, MAAPG PROFESSOR OF GEOLOGY 1947-1976

UT509 REMINISCENCES

Extracts from his Memoirs relating to the 1954 Royal Commission, building plans for the new University on the Sandy Bay site, Professor Orr and other matters, being statements refuting references in *Open To Talent* by Dr. Richard Davis, which Professor Carey claimed were "incorrect, inaccurate or biased" or even "gross misrepresentation".
