Letter from L. F. Bisdet 16 July 1990

UT 510/2

Letter from Louis F. Bisdet to Professor E. R. Guiler describing his memory of Professor Flynn, who lived in the same boarding house as Bisdet, Pressland House, Melville Street, in 1931. Prof. Flynn was a fine, well groomed man, always wore a black bowler hat. His wife, who he never mentioned, was admired by the ladies of Hobart. His son Erroll, was often a great worry to him.
