he,
I got your note about horses, and gave it to Mr. Campbell by way of messenger. I have a note from him this morning - in which he tells me that he has bought one for you.

I now regret that I gave him the note; for my brother-in-law, Mr. Stutton will return to Pt. 3 weeks hence, and wishes to take some good strong mares, fit for bush riding, with him. - He requires those for breeding, but it will not do to ship them if they be more than ³2 or ⁴2 months gone in foal at the time of shipment.

If you have any thing that you think will suit - I wish you wd give me a line at your convenience.

venience, & that will, in
that case, touch at Perth
with in his way to Buenos
Aires. Mr. Tustada tells me
that he has a letter from
London soon by way of which
I hear, in which it is stated
that Brazil has had a great
rise - some of the direct
letters of Mr. Tustada quote the
advance at 10 p. 100 - This
was what all have long
expected - it will do infinite
good to these colonies.

Yrs. sincerely
