My dear Sir
 I have advertising money to £5 for
 the last three months, and my girl sold of the
 last of it on Saturday last. - I have not one
 a penny, nor do I expect to do more business
 in that way. or I should have been most happy
 to have dealt with you.

Robertson is however, at present
 in contact with many, & you will readily get
 what you want at 1/6 per lb. - It is evident
 by many here that the rate will soon be
 lower, but I doubt that for this obvious reason
 that more is to be got, both at Sydney & P.
 Phillip.

If you write a note to Mr.
 Robinson he will set you the way as soon
 as wanted, I have no doubt.

Yrs truly
 J. Macdonald
