

Waltham  
 Sat. Feb 27  
 Saturday 1871.

Pray, dear Dr. Story,  
 accept this little  
 print from me.

If you have any  
 more reeds and  
 other plants, par-  
 ticularly Monarda  
 ludoviciana, I shall  
 be able to utilize  
 them for <sup>the</sup> forthcoming  
 volume

Let me hope you  
 are well.

Yours ever and  
 faithfully  
 J. D. S. M. M.
