Dear Sir

On arrival of your kind letter and of
the botan. specimens you were good
enough to forward Dr. Mueller was
at Queenscliff where he had gone to
restore his health. I informed him of the
arrival of the above and he intended to
write to you himself and thank you.
Having gone however by the last mail
for a few weeks to Western Australia,
his medical adviser having recommended
him a short sea voyage, he had no time
to address you before his departure and
he requested me to acknowledge the
receipt of your donation and to thank
you on his behalf. I expect his return
by the mail in November, when he
doubtless will give you full particulars
on your collection. I have the honor to be

Dear Sir
