

3/12/67

Accidentally, dear D^r Story, some of your plants were mislaid, is my [illegible]. So I refer to them only this morning. Trusting you received my other communication I remain your most regardful Ferd Mueller

N. 15 is very rare So a good supply of specimens would be of great use for [illegible]. The same might be said of Anthocercis Tasmanica & many others.
