3/12/87

Accidentally, dear Dr
 Voss, some of your
 plants were mislaid.
 It is my abhorrence. So I
 refer to them only this
 morning. Trusting you
 received my other
 communication I
 remain your most
 obedient servant
 J. M. Smith

N. 15 is very rare
 So a good supply
 of specimens would be
 offered us for inter-
 change. The same

might be said
of Authorn's Dec.
mourning & many other
