Dear Emma

I am very much pleased  
with thy letter, it is written very  
nicely, and the picture of the baby  
is interesting - she is very tall and  
the baby is very small. It is nice to  
be able to have a bath. I shall be  
pleased when thou art able to come  
home. I miss my little grandchild  
and shall be glad to see you again.

Grand Emma is not well but she  
frequently talks of dear little Emma  
and Mandy - Annie has gone to  
see her brother who is poorly -

From thy Grandfather
