

## Contents:

- JANUARY.**—Atmospheric Electricity; its effects on various kinds of matter, with especial reference to the condition of Auroras and Thunder Storm.  
Analysis of Observatory Records for month in conjunction with those of Births, Deaths, &c.  
Meteorology for month.
- FEBRUARY.**—On Silk-producing Moths.  
Analysis of Observatory Records for month in conjunction with those of Births, Deaths, &c.  
Zoological Statistics.  
Meteorology for month.
- MARCH.**—Transactions of the Society.  
Analysis of Observatory Records for month in conjunction with those of Births, Deaths, &c.  
"Spectrum Analysis."  
Meteorology for month.
- APRIL.**—Transactions of the Society.  
Analysis of Observatory Records for month in conjunction with those of Births, Deaths, &c.  
"On the Coal Seam at Mangana."  
Directions for Collecting, Preparing, and Mounting Diatoms.  
Meteorology for month.
- MAY.**—Transactions of the Society.  
Analysis of Observatory Records for month in conjunction with those of Births, Deaths, &c.  
"On the Observance and Collection of Aerolites."  
"Hydraulics in reference to the Sanitary requirements of Hobart Town."  
Meteorology for month.
- JUNE.**—Transactions of the Society.  
Analysis of Observatory Records for month in conjunction with those of Births, Deaths, &c.  
Observed Magnitudes of the variable star  $\eta$  Argus.  
Meteorology for month.
- JULY.**—Transactions of the Society.  
Analysis of Observatory Records for month in conjunction with those of Births, Deaths, &c.  
Hydraulics in reference to the Sanitary requirements of Hobart Town.  
Meteorology for month.
- AUGUST.**—Transactions of the Society.  
Analysis of Observatory Records for month in conjunction with those of Births, Deaths, &c.  
Observations on the Fresh Water Lobster of Tasmania.  
Meteorology for month.
- SEPTEMBER.**—Transactions of the Society.  
Analysis of Observatory Records for month in conjunction with those of Births, Deaths, &c.  
"On the structure of the Country between Macquarie Harbor and the Frenchman's Cap."  
Meteorology for month.
- OCTOBER.**—Transactions of the Society.  
Analysis of Observatory Records for month in conjunction with those of Births, Deaths, &c.  
"On Tobacco Culture in Tasmania."  
Meteorology for month.
- NOVEMBER.**—Transactions of the Society.  
Analysis of Observatory Records for month in conjunction with those of Births, Deaths, &c.  
"On Volcanic Action in New Zealand."
- DECEMBER.**—"On the origin of Nervous Force."  
Analysis of Observatory Records for month in conjunction with those of Births, Deaths, &c.  
Meteorology for month.
