Mr. W. W. W.

Friday.

My dear Sir;

I am absolutely obliged to  
raise £60 tomorrow; the incon-  
venience in case of failure will  
be extreme. Will you kindly think  
it over, and I will call in the  
morning to know whether you can  
give me any assistance? I should  
not trouble you but for the reason  
given. If you would lend me

amount until the quarter  
shall have passed, & will be  
rendering me a great service,  
& prevent my suffering extremely.

Yours very truly

M. J. Ender

Mr. G. W. Walker.
