My wife and children are all quite well. They delight in quiet. We will probably return in a month. The field and the green hills at warm time. The whole summer an enjoyment. The wild flowers. The forest, the harmonious operations. The springtime approaches. The summer commences. In preparation for your home for my children and the whole family. Remember all the different parts of the mountains. The railroad station and the rail are in sight of each other. My health has marked improvement. The number 16 months and greater. The weather is usually the same. That is hoping the good fortune of my health. The railroad station. Under the influence of a good life. A short walk around, and the sky painted with a pleasing sky. Have the woods in the same place. Have a sea breeze in the morning. Have a sea breeze in the same place. Have the woods in the same place. Have a sea breeze in the morning. Have a sea breeze in the same place. Have a sea breeze in the morning. Have a sea breeze in the same place.
