This is just to tell you that the little medal of 121 has been accepted by R.A. & I have my Varnishing Ticket today. It really seems too good to be true to have got both Salons R.A. in one year. Somethings must be going to heat up!

Brooks was the scullion on the Haugwin Committee this year. What excellent taste he must have!!

Clara - I am going up to town tomorrow aft. to stay one night at New Court. I go to V. Day on Monday. I hope to meet Lillie Reed & after church there as one is not allowed to take anyone with me! I will tell you all about it afterwards. It is sure to be amusing.

The Colonial Premier and the topic just now London seems to be trying to hold them all, or keep them quiet with heavy feeding!

Botha has made a very good impression so far by his simplicity & modesty. The blossom this spring is simply marvellous. a record for fullness all the papers say. We are hard at work again here. Heaps of love. Heather.
