Dear Sir,

Will you excuse my troubling you at this late hour to request you will have the kindness to let me know whether you would wish a servant should drive you to Bridgewater in the morning, or whether you will drive yourself and take your friend with you? It will be no inconvenience to me to send a servant!

I communicated to the Officer in command at the station that you would be at Bridgewater at eleven o'clock, consequently it will be desirable that you should start about nine.

Allow me to anticipate that we may have the pleasure of seeing Mr. Colthurst & yourself at Ten Town Road during -

I am dear Sir,
