

I have rewritten my
 Memorandum ~~as~~ as separate
 sheet that you may copy ~~at~~ your
 leisure & attend to - that you may
 have my shalley letters - I suppose
 you ^{will} see Mrs J. Home before you
 leave Hobart Town and apologise
 for my not calling - my hand
 trembles very much now when I write
 I in Nov. Mr Wright's letter you
 had better tell him not to trouble
 about it just now as there is so much
 confusion with the gold digger travellers
 that after shipment it might get returned
 to Adelaide as Mr Victor supposes
 her trunks have done I expect she
 will be in Hobart Town ere you receive
 this yours very affectionately
 Eliz. Seake.
