

*"My KodaScope Screen is a window opening on the whole world," says one of thousands of enthusiastic users, "a magic carpet on which my friends and family can set out in quest of adventures. We've got thrills and entertainment laid on. We have wonderful parties for youngsters—as well as assist their education."*

## A MERRY CHRISTMAS with CINÉ-KODAK MOVIES

Happiest and most fascinating idea in the world!

Imagine the fun of making your own "movies"—picturing the life and action of holidays or the children as they laugh and play. And then the supreme thrill when it all happens again on the silver screen—or when you are enjoying world-famous feature films that thousands have crowded to see!

Let us demonstrate the most delightful entertainer that ever came into any home. Prices: Ciné-Kodak from £14; KodaScope from £22. Deferred payments may be arranged.
