Great Swan Port August 1831

Sirs,

I have the honor to make the following statement, to locate the additional grant of 750 acres of land, which I have been authorized to have by His Excellency, the Lieutenant Governor, on the unlocated land between my present grant and that of Mr. Webber, and at the back of my present grant in the following manner:

First in the State of unlocated land between my side line and that of Mr. Webber, and then continue past the corner post of Mr. Webber to the foot of the tree, thence running about a quarter to my present corner tree at the Rocky Hills, according to the enclosed plan.

(A plan accompanies this statement showing that the land applied for contained as near as possible the quantity of land intended. I have promised one that if the land was a quarter that quantity he would allow me to take it in consideration of the location of the grant of the quantity of 750 acres included in the following, is nearly 200 acres.

Sent the plan.
