My Dear Father:

The Society - the beautiful
 wife of my brother has been
 removed from me - she gently
 fell asleep in Jesus last night
 about 9 o'clock. The stroke,
 though trying to flesh & blood
 I feel to be in mercy. She was
 unable to leave an undoubted
 evidence of her everlasting

acceptance. Nothing
 could be more satisfactory
 or comforting. and trust
 the end is as peace -

I have sent a man by way
 of Campbell Town to the
 grave to inform the family
 that all who feel a desire to
 attend the funeral may have
 an opportunity to do so. it
 is appointed for Friday at 9
 o'clk.

Please to give my dear
 love to Mother. My warm
 desire to give his love
 to Mother & Father with a
 hope to see you in heaven

My Affection

J. M. Mathers
